Dear Parents,
Welcome back! A very happy new year to all of you!

This month we will work on rhyming words, patterns and opposites. Our science activities will center around what animals and people do in the winter. In social studies we will be learning about community helpers. We will continue work on sight words and letters and letter sounds. On Valentine Party day, your student may bring valentines for his/her classmates. There are 17 students in our MWF classes. It is not necessary to address the cards but your child may sign his/her name on the back of each card.
