Dear Parents,

This month we will be learning about winter and the changes that happen to the earth and animals during this season. We will be learning about community helpers. Our dramatic play area has changed to a pizza restaurant and later in the month will change to a hospital.

We will work on the letters O, P, Q, & R, the number 6, the oval shape, and colors black and white.

On Valentine's party day, Feb. 14th, your child may bring valentines for his/her classmates (optional). It is not necessary to address the cards but your child may sign his/her name on the back of each card. There are 20 children in our class. Each child will have a large envelope so that the students can "mail" their valentines to each classmate.
