Dear Parents,

Welcome to Christian Day Child Academy! We are pleased to welcome back many returning students and are enjoying getting to know each new student. Our curriculum this month includes the following concepts: numbers 1 & 2, letters A & B, the circle shape, name recognition and sight words. We will learn that God made our world and God made each of us special. We will have two Bible memory verses each month. We will also begin practicing a tornado drill, fire drill and safety drill later this month.

- **Week of September 19** Please bring in any picture that begins with the letter A - your student should print his/her name on the back of picture and put in homework bin on arrival at school.

- **Week of September 26** Please bring in a picture that begins with the letter B.

- **Week of October 3** Please bring in a picture that begins with the letter C.

- **Week of October 10** Please bring in a picture that begins with the letter D.

Please remember to label jackets and back packs. Please call or email the school if your child will be absent. Please call or email if you have any questions or concerns. Again, welcome to Christian Day!
