January 28, 2022

Dear Parents,

It is already time to begin registration for fall classes! **Currently enrolled families, families who have previously had students at CDCA and members of Minnesota Valley Church have priority enrollment beginning on Monday, February 14th. Beginning Monday, February 28th, enrollments will be accepted from families new to CDCA.** We would encourage you to return registrations promptly to assure a place in your preferred class session. A non-refundable registration fee must accompany this registration form. If the registration is submitted before May 31, 2022 the fee is \$60 per family. For registrations submitted after May 31, 2022, the fee is \$75 per family.

If you do not need this registration form for your family, please share it with a friend or neighbor who might be interested in CDCA.

Returning students do not need a new health care summary and immunization form for this fall. For new students, the forms can be downloaded from our website or are available in the school office. **A health care summary (signed by a doctor) and immunization record for your child must be on file by the start of school. All students with allergies must have an updated allergy plan signed by the student's doctor each school year. All returning students do need a new emergency form. School start up information will be on our website by August 1, 2022.**

Please call or email me if you have any questions about registration!

To God be the glory!

Debbie Karban, Director
Christian Day Child Academy
Ephesians 3: 14 - 21

Grow in wisdom and stature and in favor with God and man." Luke 2:52
