

Christian Day Academy

Pre- K5 December 2023

Dear Parents,

The beautiful holiday of Christmas is almost here and there is much excitement in the air! This is a time of great anticipation and learning about the true meaning of Christmas.

This month we are busy decorating our room, making some special surprises for loved ones, and getting ready for our Christmas program on December 15th. We will continue letter work and talking about how God's world gets ready for winter (trees, animals, people). In our "Living Word Friendship" time we will be learning about the birth of Jesus and learning the Christmas story from the book of Luke.

We continue to work on sight words: God, Jesus, Bible, holy, love, the, I, see, like, at, a, is, you, look, or, and.
